What are my obligations?

You must:

- Pay the premium for each policy year as a single annual premium or on a monthly basis. This is a Lifetime policy but to benefit from ongoing cover you must keep paying your premiums. Every 12 months you need to renew your insurance policy with us (without any break).
- Take all possible care to safeguard your pet against accident, injury, illness, loss, or theft. This includes taking good care of your pet and its diet, keeping vaccinations and worming treatments up to date and following your vet's advice.
- Submit your claim as soon as possible when something happens to your pet that you need to claim for. Provide all information, documents and help we might need.
- You must tell us as soon as possible if there're any changes to your details or your pet's details. The things you need to tell us about are on your confirmation of cover. When you make a change we'll send you a new confirmation of cover. It's important you check any new documents we send. If the information we have isn't accurate, we might not be able to pay your claim.

When and how do I pay?

You can pay the premium for each policy year as a single annual premium or on a monthly basis. You can pay the premium with a debit or credit card or any other agreed method.

When does the cover start and end?

Your cover will start on the date you ask us to start your insurance. Your policy will run for 12 months unless your policy is cancelled before then.

How do I cancel the contract?

You can cancel this policy at any time. There are no extra charges to cancel your policy. If you cancel your policy within 14 days of the date you get your policy documents. If you haven't made a claim, you'll receive a full refund.

To cancel the policy, please call Petgeivity Customer Services on 0333 006 3211.
